

Navigation Tips for Internet Resources Module

Action Buttons/Links	Description of Use
	<p>The Internet Resources module is where your instructor will post Internet websites for you to visit that pertain to your MVC assignments. Click on the topics in this module to access the next screen where you will see the website address.</p>
<p>Website: http://www.nailitnow.com.au/word</p>	<p>Click on the website address to access the website.</p>
	<p>Always click this button to return to your MVC class when you are finished viewing the website.</p>
	<p>Sometimes the “Click Here to Return to the Classroom” button may not appear on the website you have accessed. When this is the case, click the down arrow of the “Back” button (shown at left). Then click an MVC location to return to your MVC class.</p>
