

NEWS SUBMISSION FORM

Help us tell the Springfield College story!

The Office of Marketing and Communications is always looking for newsworthy information (honors, awards, and accomplishments) and interesting stories about our faculty, staff, and students. We will consider these items for possible story development and publication in a variety of media: on the SC Web, in our faculty/staff newsletter, in our publications (*Triangle* magazine), and for developing news releases. Please complete this form with as much information as possible.
